INDIGO RECLAIMED ELM WATERFALL TABLE

\$5,480

Shandong, China • Northern Elmwood • Collection #TLB051

W: 84.0" D: 14.0" H: 32.25"

This artisan-crafted console table is a celebration of wabi-sabi style. Crafted of elmwood timbers reclaimed from Qing-dynasty architecture, the table has a minimalist waterfall design with dovetailed corners that recreate traditional joinery methods. The long table has been darkened with an indigo-blue stain with deep pigmentation and a subtle sheen that highlights every knot, split and groove to the wood grain. Ideal in a hallway or set behind a sofa, this modern console captivates with simplicity of form and incredible texture.
