## RECLAIMED ELM STOOL

**\$580**

Northern China, China • Northern Elmwood • Collection #PRO306

W: 13.75" D: 13.75" H: 17.0"

Crafted of wood reclaimed from 18th-century Chinese buildings, this contemporary four-leg stool is the epitome of farmhouse modern. Darkened with a red-brown finish, the little stool embraces the concept of “wabi-sabi” with irregular edges and imperfections that hint at the wood’s earlier use.
