NARROW PLANK TRAY

\$128

20th Century • Central America • Wood • Collection #CDH011A

W: 20.25" D: 5.0" H: 1.5"

This antique wooden tray perfectly balances minimalist simplicity and rustic charm. Carved from a plank of wood, the tray has a long and narrow form, shaped with a shallow interior, straight sides and tapered ends that flatten into handles. Stained to a dark brown and textured by a smooth patina, the simple wooden tray is perfect as an unexpected serving dish or a vide-poche for precious smalls.
