## INDONESIAN CARVED TAPESTRY HANGER

**\$380**

Mid-20th Century • Indonesia • Wood • Collection #CJL007

W: 20.0" D: 0.75" H: 4.75"

This hand-carved wooden object is an Indonesian wall hanger for displaying batik textiles, woven tapestries or works of embroidery. The hanger is carved with a pierced, low relief design of two birds surrounded by botanical scrollwork. A charming example of southeast Asian folk art, the wooden carving looks wonderful mounted on a wall with your favorite textile or simply placed upon a bookcase as a decorative sculpture.
