PROVINCIAL RICE MEASURE

\$388

c. 1900 • Shanxi, China • Pine, Iron • Collection #BJFF080F

W: 14.0" D: 14.0" H: 9.0"

This rustic container was made over a hundred years ago to measure and hold a dou of rice, an ancient Chinese measurement. It is handcrafted with dovetail joints, iron-finished edges, and a hand-arched handle. A sheer, painted green tint darkens the exterior. This measure has aged wonderfully, boasting a smooth, soft finish developed from the touch of hands over time.
