## FAMILLE ROSE SOUP TUREEN WITH COURTLY GATHERING

**\$680**

1870 • China • Porcelain • Collection #CFC050

H: 7.0" Dia: 7.5"

This late 19th century covered jar takes its rounded shape from serving tureens used to serve soups and stews. Contrasted by a crisp white field, the lid and sides are intricately decorated with scenes of a Ming-dynasty courtly gathering. Surrounded by noblemen and their attendants, two young boys approach a seated elderly official to bestow an offering. The lively scene is rendered in a palette of soft blues, greens, and purples and marked by traces of the original gilt pigmentation.
