

"SCHOLARS IN THE GARDEN" BLUE AND WHITE JAR

\$288

c. 1900 • Zhejiang, China • Ceramic • Collection #BJFF133B

H: 6.75" Dia: 6.25"

A connoisseur of fine ceramics, the scholar who owned this jar surely demonstrated his vast knowledge of the time-honored technique of blue-and-white glazing by proudly displaying it among his prized objects. A departure from the more carefully delineated designs of earlier ceramics, this Qing-dynasty jar is broadly brushed with elegant, willowy figures, evocative of scholars traversing an artfully groomed garden.
