SCHOLARS' TEA TRAY

\$2,980

Shanxi, China • Limestone • Collection #BJG005

W: 19.75" D: 9.25" H: 2.25"

Hand-carved with mesmerizing diamond-work, this limestone tea tray exemplifies the exquisite beauty sought after by traditional Chinese scholars, who filled their studios with creative inspiration. Embodying the tenants of Ming austerity, the tray's simple form is the ideal canvas for the artist's precision stonework. The tray is a fantastic way to elevate an object, or can stand alone as a sculptural piece.
