SHEWEN MEDITATION STONE

\$780

Dongbei, China • Stone • Collection #SW5008

W: 17.25" D: 10.5" H: 10.5"

A well-chosen stone is a focal point of both a traditional Chinese garden and a scholar's studio - evoking the complexities of nature and inspiring creative thought. Sourced from China's Dongbei province, this meditation stone has a mesmerizing pattern of green-and-black strata, the inky black layers swirling like the painterly flourishes of a calligraphy brushstroke. Named for the serpentine deposits that give the stone its vibrant green coloring, we love this shewen stone as a way to add bright color to a garden or interior.
