BUTTERFLY CHARM RING

\$88

c. 1900 • China • Silver • Collection #LUBRING_I

H: 0.75" Dia: 1.0"

Dated to the late 19th century, this silver charm ring was believed to protect the wearer from bad luck and malevolent spirits. Intricately patterned and laden with symbolism, the ring imparts an everyday blessing. A round, ribbed gourd on one side bears the gift of longevity, while a butterfly with outstretched wings bears the gift of joy and happiness. From the ring hangs a chain bearing three small peaches, symbols of longevity and conjugal bliss.

Ring size is adjustable. All jewelry sales are final. No refunds or exchanges.
