SMALL SILK TASSEL WITH SWIRLING JADE CHARM

Chinese knotted tassels are used to add elegance to everyday items and bring good fortune wherever they're placed. Fine tassels hold sentimental value, and are often passed down through generations or gifted as a token of one's love.

This small tassel is tied of a pale silk thread and decorated with a heart-shaped knot and a flat jade bead carved like swirling clouds. Draped from cabinet hardware or hanging from a handbag, we love these silk tassels as a way to spread good luck.
