STONE MORTAR

\$1,880

c. 1800 • Shanxi, China • Stone • Collection #W042A

H: 16.0" Dia: 20.25"

This round stone vessel was hand-carved from a single block of granite by a Qing-dynasty artisan in China's Shanxi province. Originally used as a grain mortar, we love the piece as a planter or birdbath in a garden or patio.
