SWIRLED GLAZE WINE JAR

\$1,880

c. 1900 • Sichuan, China • Ceramic • Collection #CESR003A

H: 33.0" Dia: 32.0"

This early 20th-century ceramic jar from China's Sichuan province is formed in a traditional shape meant for storing wine and spirits made from rice and grains. Applied with a loose hand, a light glaze sweeps across the jar's high shoulders, pooling at the lipped rim and dripping down over the balanced, oblong form. Hand-formed with a grand scale, we love this wine jar for its rich earth tones and sculptural presence.
