BATONGA TRAY BASKET

\$1,280

c. 1900 • Willow, Reed • Collection #CBH007

W: 21.0" D: 20.25" H: 6.0"

Tightly woven of reeds and willow, this round tray basket was crafted by artisans of the baTonga people of Zambia and Zimbabwe. Contrasting light and dark materials create zig-zag patterns that run down the basket's tapered form, ending in a flat square base. A beautiful example of contemporary African basketry, we love this tray basket as a serving bowl or a wall-mounted sculpture.
