## PAIR OF TIBETAN DRAGON COLUMN CARPET RUNNERS

**\$9,280**

c. 1900 • Tibet • Wool • Collection #CVF023

W: 120.0" D: 30.0" H: 0.5"

Historically used within Buddhist prayer halls, these long Tibetan carpets were once wrapped around structural columns to adorn and insulate the interior. Intended to be hung on either side of a column, these carpets are designed in complement to one another, so that the decorative elements flow seamlessly around the entire pillar.

Hand-knotted of plush Tibetan wool, this pair of vibrant column carpets is decorated with two sinuous golden dragons against a field of dark blue-black. Continued...

## PAIR OF TIBETAN DRAGON COLUMN CARPET RUNNERS

Auspicious creatures of protection and power, these dragons once swirled around a column as benevolent guardians of the monastery. Meant to be seen from a distance and to animate a space with their spirit, these rugs have a graphic design that looks incredible as an area carpet or wall hanging.
