"WAKE" BY REN HUI

\$2,980

2012 • Beijing, China • Oil on Wood • Collection #CRH005

W: 16.5" D: 1.5" H: 24.25"

Entitled "Wake," this patterned composition by Ren Hui was created by carving small notches into a wood board. The artist uses a pure and deliberate approach by using simple flourishes of marks, points, and dots. Each white mark is final and sits in contrast to the painted black background. When considered from a distance, the composition leaves the feeling of a wake created by a boat as it moves through water.
