## PAGODA RED

## WARD BENNETT CANE LANDMARK LOUNGE CHAIR

#### \$1,800

c. 1970-1979 • United States • Wood, Fabric, Rattan • Collection #DTFS011 W: 24.0" D: 21.0" H: 31.0"

Renowned American designer Ward Bennett is hailed by the American Institute of Architects for "transforming industrial hardware into sublime objects." Using industrial grade materials, he created a line of iconic furniture that was years ahead its time.

This vintage lounge chair is a variation of Bennett's famous Landmark design, originally designed in 1964 to emulate classic English forms. Structured with a fluid wooden frame and caned sides, the iconic armchair has a simple form that fits effortlessly into any room.
