## TAPERED RICE WINE JAR

**\$428**

c. 1900 • Ningxia, China • Ceramic • Collection #ZZZ090U

H: 17.5" Dia: 8.0"

This late 19th-century ceramic jar from Ningxia, China is formed in a traditional shape meant for storing wine and spirits made from rice and grains. The vessel has a flared mouth, four strap handles, and a cream-colored glaze coating both the interior and exterior, leaving only the flat base unfinished. The jar's balanced, oblong form offers a wonderful sculptural presence, further accentuated by a monochrome glaze.
