PETITE CLOUD GOOSENECK VASE

\$480

Jiangxi, China • Ceramic • Collection #BJEE094

H: 13.75" Dia: 9.0"

Drawing on a long Chinese tradition of monochrome ceramics, this austere long-necked vase is glazed in serene, cloud-inspired white. Crafted in Jiangxi province, local ceramists reinterpreted this traditional gooseneck shape with clean lines and an understated sculptural presence.
