\$388

W: 16.0" D: 11.75" H: 14.5"

It is easy to imagine someone, long ago, walking to market on a summer's day with this beautiful woven basket tucked under their arm. Hand-woven of willow and twine, the basket has a rectangular form woven around a wooden rim and held by an arched bentwood handle. A wooden divider splits the basket into six small compartments, perhaps intended to keep herbs and produce separate while shopping.
