

WOVEN RIVER BASKET

\$288

c. 1900 • Shandong, China • Willow • Collection #TLB132T

H: 15.0" Dia: 12.0"

Centuries ago, a woven reed fisherman's basket such as this would have been common in rural China as an everyday item, used until it became worn through. This particular example remains in beautiful condition with a light brown color and slightly tapered form, existing today as a lovely collector's item. The willow and reed weave has worn beautifully with time but remains intact along with a metal ring fastened to the lip of the basket - a true testament to the maker's skill.
